Senior Class History

KINDERGARTEN: Anita Derck socked Brent Blalock in the stomach. What a brute! Andy DeLong tried to bury Frank Meyer alive with the cardboard blocks, but Frank survived with only a bloody nose. Andy DeLong gave a turquoise engagement ring to Lana Leinard, compliments of Neidy. John Deeever attacked Lisa Gill (kiss, kiss). 1st Grade: Shelly and Sheila Pendergrast joined our class and also Pam Schuhart. 2nd Grade: In Mrs. Dean's room Evan and Tony K. were bouncing crayons off the wall and sticking them to the movie screen and Keith decided to tell on them. Sheila Altic greatly enjoyed the so-called reading circle. 3rd Grade: Our big operetta production, "Purple on the Moon" was performed. Jim Pinwheel got caught backstage sitting in a rocking chair holding hands with Cindy. Susan Kline decided to join the class of '83, good choice, Susie! 4th Grade: Linda Culler, Lisa Gill, Donna Adams and Ina Atkins got sent to the office for throwing snowballs. Curtis Longardner wrecked his bike. Cindy Hughes brought some unusual objects to class for show and tell. 5th Grade: Tony K. and Lisa M. were an item. Everyone got in trouble when Treva and Chrissy S. flooded the restroom. 6th Grade: Our

class operetta, "Mirror, Mirror," a groovy version of Snow White, was performed. On our field trip to Franke Park Jeff Hahn fell off Noah's Ark. Leesa C. and Chris Lloyd became Bay City Roller maniacs and wore plaid every day. The big attraction at recess was walking around the track holding hands. 7th Grade: We entered junior high. Andy DeLong and Kenny Daeger got caught passing notes to Julie Hartman. 8th Grade: Brent got in trouble and had to sit in front of the class. He started crying so the teacher let him sit down at his own desk. 9th Grade: Our freshman year was the highlight for the boys; they got to play in the varsity basketball tournament. Gym was fun until Karen Lichry dislocated her knee and later that period killer Donna nailed Pam Scoby in the eye with a badminton racket. Mr. Schilb put a rubber hose on Annette's neck during a test.

AEA Book Scholarship winners: J. Buckland, L. Leinard, D. Adams, K. Birkhold, presented by Miss Gordon.

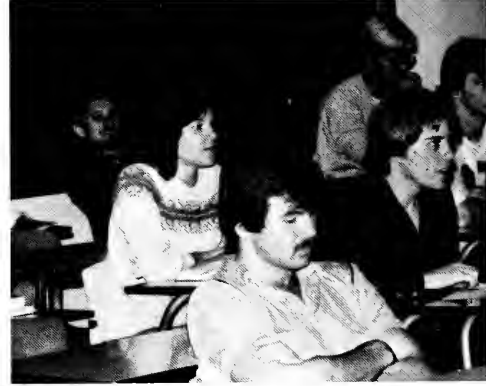

Defiance College Academic Scholarship Recipients: T. Funk, and F. Meyer.

Parents' Night

Homecoming 1983

As part of the 1983 Homecoming festivities, a "Spirit Week" was held in which the high school students dressed accordingly. Monday was fifties day; Tuesday was inside-out day; Wednesday was hat and button day; Thursday was punk day, and Friday was blue and white day. Thursday evening also included a snake dance and bonfire. This was an event in which the students and band marched out to the football field and did cheers with the cheerleaders getting ready for the game. On Friday evening the band, cheerleaders and firetrucks were ready for the parade in which the attendants rode in convertibles with a police escort to the football field. The game was played against the Ayresville Pilots and the Archers lost. The ceremony was held at half-time with Pam Scoby and Frank Meyer crowned king and queen. The dance was held Saturday in the multipurpose room. The theme for the dance was "Don't Stop Believin' " and music was provided by Jim Harrison.

There Is Nothing Like a Dame

SYNOPSIS OF "SOUTH PACIFIC"

On a South Sea Island during World War II Nellie Forbush, a young Navy nurse from Little Rock, Arkansas, meets and falls in love with a gallant, middle-aged Frenchman, Emile de Beque. Emile is a planter and has lived on the island for twenty-five years. When he proposes to Nellie he confesses that the reason he had to leave France was because he killed a man — the town bully who deserved to die. Nellie seems able to accept this explanation and promises to think about his proposal.

Also stationed on the island are a group of sailors, seabees and marines who are obviously bored and sorely in need of female companionship. Souvenir collecting is about the only active pastime and she developed into an intense rivalry between Seabee Luther Billis, who has cornered the market in everything from grass skirts to shrunken heads, and Bloody Mary, the local Tonkunesse dealer in such trophies.

Lieutenant Joseph Cable, a handsome young Marine, arrives with an assignment to persuade Emile de Beque, who is familiar with the nearby island, to accompany him on a dangerous secret mission. Their task is to hide out on a Japanese-held island, watch for enemy ships and convey this information to their own pilots who will then use this first-hand intelligence to attack the Japanese convoys. Nellie's friendship is known to the island's commander and she is asked to obtain all the information she can about the Frenchman.

Meanwhile, Joe Cable has been persuaded to take a boat trip to the mysterious island of Bali Hai to have a good time. There Bloody Mary introduces him to her beautiful daughter, Liat, and Joe falls in love with her.

Confused about her feelings for Emile, Nellie tries to "wash him outa her hair" without much success. He invites her to dinner at his house so that his friends may meet her. Nellie accepts and has a wonderful time at Emile's house. She enjoys meeting his friends and all seems right with her world and her love until she learns that the two adorable half-Polynesian children she sees there are Emile's. Their mother, now dead, was a native woman. This is more than Nellie's small-town upbringing permits her to accept and she runs from Emile in her embarrassment and horror.

At this time Joe Cable, despite his deep love for Liat, is caught in a similar trap of his own prejudices and he refuses to marry her.

Emile agrees to accompany Joe on the mission since he now feels that all he cares about has been taken from him. They are successful for a time sending back many useful messages, but eventually they are discovered and Joe is killed. Emile manages to return safely to find that love has conquered prejudices. Nellie is waiting for him with his children.

IT'S A MANNINGTON.

MARQUIS.
The Elegant No-Wax
For Virtually
Seamless Floors.

Unightly floor seams that capture dirt and food particles can be a problem. But it's a problem you don't need to face.

Mannington's Marquis comes in both 6- and 12-foot widths for seamless installation in most rooms. And, there are so many beautiful patterns and colors to choose from.

Marquis is easy to care for. It has the exclusive high-gloss Dura Polish wear layer that protects it against stains and spills.

Come on in and take a good look at Marquis. You'll like what you see.

After all, it's a Mannington.

From the Editor

This yearbook captures the essence of our learning experience and memorable events from the past school year. These pictures will serve to remind us through the coming years of the goals and expectations we have set for ourselves.

I would like to thank my staff, Mrs. Neidhardt and my mom for their work and support. A special thanks goes out to Fritz Ehrhart for helping make this yearbook possible.

1983 Archer Editor
